DATE MAILED: 12/07/2005

Please find below and/or attached an Office communication concerning this application or proceeding.

Drawings

1. The specification provides Brief Descriptions for 44 figures, but only 34 figures have been filed. The transmittal papers state that 34 sheets of drawings were filed and this agrees with the number of sheets of drawings currently contained in the application. In addition, the detailed description at pages 73, 74, 76, 77, 82, 83 and 85-87 refer to one or more of the missing figures 35-44. It is unclear to the examiner whether the application as filed is in fact complete.

Applicant is requested to delete reference to the missing Figures or follow the procedures set forth in MPEP 601.01(g) for submitting missing drawings.

2. Applicant is given a **ONE MONTH** time period to submit the missing drawings or to delete reference to same. Extensions of time may be obtained under the provisions of 37 CFR 1.136(a). Failure to timely submit a response will result in **ABANDONMENT** of the application.

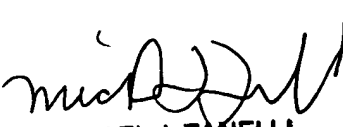

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael J. Zanelli whose telephone number is (571) 272-6969. The examiner can normally be reached on Monday-Thursday 8:30 AM - 3:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas G. Black can be reached on (571) 272-6956. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
